

Il lusso interpretato al femminile, vissuto attraverso pochi ma significativi elementi che si contraddistinguono per le texture sofisticate, in cui il bianco e il nero esaltano oggetti dal design elegante. Una collezione creata per la donna che sa riconoscere uno stile unico e vuole circondarsi di pezzi che danno a carattere ad ambienti classici e moderni, dando vita ad una raffinatezza senza tempo / Luxury interpreted in an all-female form, experienced through a few important elements that stand out for their sophisticated textures, in which black and white exalt elegantly designed objects. A collection created for the woman who recognises unique style, and wishes to surround herself with items giving character to classic and modern environments, giving rise to timeless refinement.
